

I have an 'Ancestry' World and 'Find My Past' account giving inclusive access to UK & some World records (excludes Scotland) includes the 1841-1921UK census plus the Autumn 1939 registration. I also have a dna account with 'Ancestry' managing 5 further accounts, 'FamilyTreeDNA' and '23&Me' with 7 years' experience in interpreting results and 40 years experience in genealogical research. All information will be written up and presented to the bidder.

NB any dna registration or testing fees and information that is not accessible without further payment, eg birth/marriage/death certificates or 'pay per view records', is not covered by this pledge, but can be paid for by the bidder if desired, as the need arises.
