

## **Annual Parochial Church Meeting - 24th April 2022**

### **St Martin's Ladies Group**

Owing to Covid Restrictions the Group met via Zoom for the first few months of 2021 but as the year progressed we met in Jean Pemberton's garden in May and Rosemary Norris' in July. In December we met up for a pre-Christmas Tea party and in January for the annual Ladies Group lunch at the 3 Horseshoes in Knockholt.

At the AGM in October the future of the Group, as it stands, was debated. Many members had remembered it as the Young Wives years ago but it was agreed that we should maintain our affiliation to St Martin's and keep the current title. We voted to support Women's Refuge and Demelza Hospice as our charities in 2022.

Several older members no longer feel able to come to meetings, and the membership in general has decreased, although recently two past members have re-joined.

New members are very welcome and we try to publicise meetings in advance especially if we have booked a speaker.

Meetings are held in the afternoon of the second Tuesday of each month, generally in the Brass Crosby Room during the winter, but visiting places of interest in the summer.
