

The house has four bedrooms, as follows:

- A master suite with a super-king double bed and a large en-suite bathroom
- a second bedroom with a super-king double bed and an en-suite shower room
- a twin bedroom
- a single bedroom (sorry – no photo – forgot to take one ☹)

There is a modern fully equipped kitchen diner and a comfortable lounge

It is set up for 6 people (e.g. 6 loungers, patio furniture for 6 etc) but can sleep 7

The rear courtyard has a 5m x 3m electrically operated sunshade and a barbeque

The underground integral garage can accommodate one large or two small cars

The house

Pool area is outside the front door

The lounge

Kitchen diner fully fitted with Bosch appliances (hob, oven, microwave, washing machine and dishwasher)

Master bedroom has a super king bed. En-suite has walk in shower and a corner bath.

The double bedroom on the top floor has a super king bed, en-suite shower room and a balcony with views as far as Africa and Gibraltar

Twin bedroom overlooks pool area.

*Owners' note: this is our home and is not normally available for rental. Our clothing etc will be present during the rental but we'll make a good amount of drawer and wardrobe space available. There is no Wi-Fi, but good 4G signal allows use of mobile phone as a 'hot spot' and we've done lots of business and social calls on Teams/Webex/Zoom with no problem.*
