Temporary measures regarding the Covid pandemic

Dear Friends

Following a meeting with Rev Michael and the Benefice Churchwardens I am pleased to be able to tell you that we hope to continue with our regular service pattern across the benefice at this time. However, if either of the clergy or other service leaders become unavailable as a result of the Covid pandemic then it is likely that services will need to be adapted or cancelled. This could happen at short notice so please continue to check the websites and social media for the latest information.

I have also taken the decision, with the support of the wardens, that due to the rapidly rising case numbers in our area and the potential virulence of the virus all post service refreshments will be suspended for the next two weeks (9 & 16 Jan). We will review the situation after that time.

All parish meetings will be conducted via Zoom until further notice.

Please note that the Benefice office remains operational but is only open by appointment. Therefore, please contact Suzanne (by email preferably) before visiting.

With prayers and best wishes in this difficult time.

Rev Susan
