

## CHURCHYARD WORKING PARTY

Dates for your diary – no green fingers necessary!

St Martin's has a beautiful large churchyard which we love but it takes a lot of work to keep it accessible. Following successful working parties last year we're going to have one a month so please come along and help as and when you can, even an hour makes a difference.

No experience necessary – there will be hacking, strimming and shifting the cuttings as well as things like pruning. Some tools will be available but if you have shears, pruners, rakes or brushes you can bring, that will be useful. We'd also be thankful for a long handled pruner or two.

But most of all we just need you!

Saturday 7<sup>th</sup> March – 9am to 12 noon

Saturday 4<sup>th</sup> April – 1pm to 4pm (following Spring Walk & brunch)

Saturday 2<sup>nd</sup> May – 9am to 12 noon

To join the Churchyard Working Party email group please contact the Churchwardens on [churchyard@stmartincheslfield.org.uk](mailto:churchyard@stmartincheslfield.org.uk)
